36 - STRONG POINTS -- THE COURSE	
Thomas Lebesmuehlbacher	
Response Rate	8/31 (25.81%)
<ul style="list-style-type: none"> • material is able to be understood if it is actually studied. • The in class materials and the study materials posted online. • Helps to provide a basis for the rest of Economics • Draws out graphs which helps in understanding the concepts • 1. Dynamic lesson plans. 2. No extensive time spent out of class. • I found the course to be rather interesting, and I absolutely learned a lot. • The course is good. only the main points are taught. • Lots of time going over questions

Fall 2018 Course Evaluations

Course: 201809-ECON-200-09-TR--A: ECON-200-09 Microeconomic Principles-201809-ECON-200-09-TR--A
Instructor: Thomas Lebesmuehlbacher *
Response Rate: 21/31 (67.74 %)

37 - STRONG POINTS -- THE INSTRUCTOR

Thomas Lebesmuehlbacher

Response Rate 9/31 (29.03%)

- great teacher, does everything he can to make sure his students understand and tries to tailor his teaching style according to surveys he takes of the students.
- Made class optional
- Easy to understand, makes lessons easy to understand and is happy to answer questions
- Points things out clearly
- 1. Gives problems that help with preparation for exams. 2. Communicates his availability outside of class.
- good example problems
- I learned best by going through example problems with you, and then going through them again on my own as a way of studying for the exams.
- The professor truly understands what he is teaching and you can tell he enjoys what he is teaching.
- Regularly available for help

38 - WEAK POINTS -- THE COURSE

Thomas Lebesmuehlbacher

Response Rate 7/31 (22.58%)

- the only thing that is really tested is the math part and what are on the practice problems instead of also concepts in the powerpoints
- None
- Tough, but instructor explains clearly.
- 1. Graphs are sometimes confusing and need more time explaining.
- sometimes too much info does not really flow that much
- I think the course moves a little quickly towards the end of the course.
- I don't like my Econ lab

39 - WEAK POINTS -- THE INSTRUCTOR

Thomas Lebesmuehlbacher

Response Rate 5/31 (16.13%)

- none really
- We weren't tested on everything we learned
- Could make a better effort at knowing the students
- I think that because he knows the information so well he moves a little too quickly sometimes but overall there are no weak points.
- The testing that relies on such a small portion of material.

40 - SUGGESTED IMPROVEMENTS -- THE COURSE

Thomas Lebesmuehlbacher

Response Rate 3/31 (9.68%)

- conceptualize the material a little more
- none
- have check-in quizzes every once in a while to see where the class stands.

41 - SUGGESTED IMPROVEMENTS -- THE INSTRUCTOR

Thomas Lebesmuehlbacher

Response Rate 3/31 (9.68%)

- none
- none
- give hints on how to do the examples before having class do them on their own
